International Day

It was the 28th annual International Day at Rinaldi Adult School. We had a big celebration on Friday. There were many performances from many countries of the world. We were able to enjoy every kind of dance and song from each different country. Finally, we carried signs with names of our countries on them and sang "We are the World." It made me cry. Then we had lunch outside. We were able to eat many foods from each country. The food was all very delicious. I thought it my most wonderful experience since I came to the U.S. We were able to meet many friends and talk to each other, so it was a wonderful party for me.
