

YAN WANG

### INTERNATIONAL DAY

This was a very exciting day. I got up at 5:30 in the morning. I planned many things to do. First, I made a display board with many pictures of Chinese and Taiwanese cities. Second, I boiled one hundred dumplings, which I prepared 5 days earlier and kept frozen. I looked for a red lantern decoration. Third, I put everything in my car. Finally, I wore Cheonhsam, my state dress which I had in my home.

I arrived at school at 8:30 am, where my Chinese and Taiwanese schoolmates were waiting for me. We went together to the auditorium. The show started at 9 am. The Chinese and Taiwanese students prepared a program called "A Chinese New Year". I enjoyed the different nations' songs and dances. The show finished with the song "We are the world", which I

love very much. After the show, I tasted the different foods from the different countries in the school square. I took many photos with my teachers and schoolmates.

Even though we all come from different countries, speak different languages, we looked like we have become one big family.

Many schoolmates and teachers praised the Chinese Cheongsam program and foods.

I did not forget that I was a volunteer for cleanup. I was busy, I worked hard and I was very happy.
